15.1.5	<u>Wayleave general</u>	9/940-440-70870		
	This section deals with wayleave applications for all construction and/or repairs within the Municipal road reserve and/or property/buildings. A wayleave is required for the following: telecommunication general, routine maintenance, general work, upgrades, optic fibre installation, data network operations, cabling, piping, thrust-boring, sleeving, ducting, extensions, trenching, underground, overhead, etc. Please note that a wayleave application fee is payable in advance to process irrespective if the application is successful or not. Once provisional approval is given a wayleave deposit or bank guarantee is required before the Construction permit can be issued. Without a Construction Permit no work may commence within Municipal boundaries WC043. Please note the Construction Permit is only valid for the dates stipulated, but works must start within one (1) month from date of issue, failure to start work as per agreed tempo/progress rate within 1 month period voids the Permit and means the applicant must re-apply and pay the tariff fee again subject to tariff fee at time of application. Exemption of tariff fees is given to Government Institutions or Developers that have already paid Capital Contribution Costs to Council. The Municipal Manager may exempt any person from payment of any of the tariffs related to wayleaves in terms of the Mossel Bay Municipality By-Law relating to Wayleaves and electronic communications facilities, 2023			
15.1.6	<u>Wayleave application fee</u>	9/940-440-70870		
	This is a non-refundable, once-off fee per application, payable in advance to process the wayleave, for officials to consider municipal services, future planning, to meet with the applicant, to workshop the application, to coordinate with all departments & Directorates internally. If the application is successful, a wayleave deposit or bank guarantee is required before the issue of a Construction permit.

15.1.7	<u>Deposit or Bank Guarantee:</u>			
	Before a Construction Permit is issued a cash in bank or bank guarantee is required. Cash deposit will be kept in retention for 12 months (6 months for minor applications) or until all conditions, work & quality associated with the wayleave is complete. Please note this deposit is subject to deductions as stipulated below during the 12month period, which may include quality defects, sagging, heaving etc. As-built data must be successfully uploaded onto our GIS database, failure of which may delay the Final Approval/Acceptance Certificate (FAC) and/or the Deposit refund.

Cash in bank deposit is not required if the supplier provides the Municipality with a Bank Guarantee to cover all work, performance, risk and liability under an umbrella coverage to a minimum value of R2 million with a validity period over the construction duration plus 12months from date of completion	Original copy of Bank Guarantee		
15.1.8	<u>Wayleave Execution Charges:</u>			
	This is a non-refundable charge payable in advance based on the duration of the project. This covers Municipal expenses to do site inspections; liaising with subcontractors; locating services; attend project meetings; give feedback; communication etc. The applicant must provide a construction time schedule (programme) indicating the planned commencement and completion dates. This will then be used as basis for fee calculation. Minimum charge payable is one (1) week.			
15.1.9	<u>Utilisation of Municipal Road Reserves for Electronic communication networks:</u>	9/940-440-70870		
	Once off usage fee payable for the installation of new fibre optic cables; electricity cable systems (to the extent used for electronic communication services); and other transmission systems, used for conveyance of electronic communications per trench installed on municipal property per 1m width, per Kilometer.
