15.1.5	Wayleave general	9/940-440-70870		
This section deals with wayleave applications for all construction and/or repairs within the Municipal road reserve and/or property/buildings. A wayleave is required for the following: telecommunication general, routine maintenance, general work, upgrades, optic fibre installation, data network operations, cabling, piping, thrust-boring, sleeving, ducting, extensions, trenching, underground, overhead, etc. Please note that a wayleave application fee is payable in advance to process irrespective if the application is successful or not. Once provisional approval is given a wayleave deposit or bank guarantee is required before the Construction permit can be issued. Without a Construction Permit no work may commence within Municipal boundaries WCO43. Please note the Construction Permit is only valid for the dates stipulated, but works must start within one (1) month from date of issue, failure to start work as per agreed tempo/progress rate within 1 month period voids the Permit and means the applicant must re-apply and pay the tariff fee again subject to tariff fee at time of application. <u>Exemption of tariff fee is given to Government Institutions, Developers that have already paid Capital Contribution (Costs to Council) or exemptions as granted in terms of the Mowat Bay Municipality By-Law relating to Wayleaves and electronic communications facilities, 2023</u>
